Payment:

Tax invoices have been sent out to all delegations. Could you please check the tax invoice for the spelling of the names of your delegation, it is our double check before we print the Conference ID cards. Please let me know if there are any errors in the spelling of your delegation.

Program:

The program has been finalised and is attached to this mailing.

Please note that student delegates will require their school uniform for the conference photograph at 4.30 PM on Monday July 11. Those schools without uniforms are to dress appropriately. We will proceed directly to the opening ceremony after the photograph.
Service Day Thursday July 14.

Attached is a list of the Service Day activities, along with a short description. Delegates need to select their first, second and third choices, and return this information by Friday June 17. Changes to these choices at the Conference will be limited due to transport arrangements.

Senior Conference 2011

Some of the activities that delegates can choose from may involve getting a bit dirty and may also require the use of leather gloves. Please bring them with you. The options indicate what is required. A reminder that we are asking each delegation to be active in the collection of spectacles as part of OneSight, which is outlined below.

(One of the community partners of the Conference is OneSight. Their website can be viewed at: www.onesight.org.au)

Requests and reminders:

A reminder from the kit list to bring sleeping bags and pillow.

Please make sure that we have all of your dietary requirements, so that the meals provided are appropriate to your delegates' circumstances.
