Dear Round Square Student Board or Committee and Representative

It gives us great pleasure to share with you that Westminster School is hosting the annual Australasian Senior Regional Round Square conference from Monday July 11 to Friday July 15 2011, in Adelaide, South Australia. Plans for this event are well underway and we are very excited for this opportunity to host approximately one hundred and thirty delegates from over twenty different schools! Next year's Conference is focused upon leadership and the title of the Conference is *We can change the world, Re-arrange the world*. The sub-theme of the Conference is *Moral courage is more difficult to display than physical courage*, which is reference to next step of change, having the courage to speak out and put yourself into a moral leadership position that can promote change. Do you have the courage to be an agent of change in your school and in the world?

We would be honoured if your school participated in Westminster's Regional Round Square Conference. In determining who to send as representatives, we ask that your delegation size consist of no more than six delegates. The cost of the conference is \$550, including GST, per delegate.

We would greatly appreciate it if you could confirm your interest via email using the Expression of Interest form at: pstewart@westminster.sa.edu.au by Friday December 03, 2010. We look forward to hearing from you.

Sincerely
