

Early Years & Primary School

Senior Primary

Senior Primary classes at Westminster School are from Years 3 to 7. The Senior Primary classrooms are clustered around the Vandepier Courtyard that provides shade and shelter from the elements. In close proximity to key areas like the Haslam Library, Forder Centre and IT classrooms, students have great access to the staff and facilities that contribute to our wide curriculum.

There are male and female teachers at all year levels. Students also have specialist teachers in Music, Sport, Art, Information and Communication Technologies, Japanese, RAVE (Religious and Values Education) and Library to maximise their development and provide depth in the curriculum delivery. Every student exercises everyday.
