Enrolment Enquiry

Although our website provides a wealth of information about the School (each section is accessible as a printable pdf), all enquiries are welcome at Westminster.

The usual enquiry process is:

Step 1

Go through the website in detail, printing any section you wish.

Step 2

Book into one of the scheduled School tours. [Click Here](#) to view the schedule.

Step 3

Attend the School tour, ask any questions you may have.

If the scheduled tour times do not suit or you have questions to ask, please complete the following details with any questions and submit online. Our Registrar Darin Betro will contact you in response to your enquiry.
