

Duke of Edinburgh and Outdoor Education

Expedition: Rock Climbing

A rock climbing expedition will be conducted over the Term 3 break at Mt Arapiles, Victoria (near Horsham) from **Friday 25 Sept until Tuesday 29 Sept 2020**. Transport will be by the 25-seater bus leaving school at 2.00 pm on the Friday and returning by 3.00 pm on the Tuesday.

Gordon Begg and Julie Engelhardt plus 4-6 other instructors will be directly supervising and conducting all rock climbing activities.

The area is a well-known and highly regarded area for climbing, abseiling, belaying and bouldering. Students will be well-versed in these procedures by attending introductory climbing sessions before the trip. Students will be able to participate in seconding instructors on multi-pitch climbs.

Each night will be spent in the Natimuk camping ground (BBQ, Showers, Fridge) and each day the students will stroll to the different crags in the area for a day of climbing activities.

Students are to provide their own food for the duration of the trip. A communal BBQ will be available for students to use.

In the event of an emergency, the contact person, whilst the students are away, will be David Wallage on 0407 962 639 or contact Gordon Begg on his mobile.

Any further inquiries regarding the trip, or the nature of activities, should be directed to me at the school (8276 0337) or at home (0428 974 759). Please complete the permission form and return it to Mr Begg at school.

Cost will be approximately \$350, which will be added to the student's account.

Use of rock climbing shoes is inclusive in the cost. All other climbing equipment is provided.

Personal Equipment

Clothing

For any climbing trip you only need a set of clothes for climbing and a spare comfortable change for night-time. (For longer or colder conditions another set should be included).

- 2 shirts, one light, the other warmer. Preferably long sleeved for better sun protection. (Westventure shirt is great).
- 2 pairs of long trousers/long tights or shorts, track suit pants are ok. (Avoid jeans, being inflexible and taking too long to dry out if they get wet).
- Shoes suitable for walking in. These need to be worn when walking to the climbing venue. No thongs at climb site. Climbing shoes are provided.
- Underwear
- Old woollen or fleece jumper. Please avoid synthetic cotton fabric jumpers, as they will not keep you warm when they are wet.
- 3 pairs of thin socks for climbing in plus 1 pair of thick socks for night-time (Explorer socks are great!)
- Broad-brimmed sunhat, one that covers the ears and back of neck (not a baseball-style hat if possible)
- Warm wear, such as a beanie, thermal and gloves for the cold nights.
- QUALITY rain jacket can be provided by school.

Sleeping

- Sleeping bag (preferably down)
- Sleeping mat (to insulate you from the ground). Foam mats are cheap, durable and do the trick!

Toiletries

- Small amount of soap (if showers available)
- Toothbrush and toothpaste
- Comb or brush
- Towel
- Small amount of toilet paper, waterproofed
- Any personal first aid equipment (i.e. Ventolin, bandaids etc.)
- Sunscreen and SPF Lip-balm

Eating

- Light plate, bowl & mug
- Eating utensils
- 2 x 1 litre strong water container
- Scourer or Chux
- 10 L water bladder, provided by school (empty)

General

- Pencil & Notebook
- Matches (waterproofed in film container)
- 2 large plastic bags
- Torch (with spare batteries)
- Hand sanitiser
- 1 garbage bag for rucksack liner (orange 'garden bags' are best)
- Camera, book, cards, pocket knife, mending kit
- Whistle
- iPod (for tent use only)

Group Equipment

- Tent plus poles & pegs
- Trangia stove and fuel bottle
- First aid kit
- Trowel
- Tarp or groundsheet

Food

When planning food for any* DOE or OE trip it is important to consider the following things – weight, nutrition, preparation, interest and packaging. You want lightweight foods that are low on packaging, easily prepared and nutritious – but not boring! Some good recipe ideas include...

Breakfast

- Muesli with milk powder
- Instant porridge ('Oat Temptations' are great)
- Breakfast muffins
- Muesli Bars
- Powdered 'Sustagen' (not 'Up & Go's')

Lunch

- Various breads (Mountain Bread, pita bread, tortillas etc.)
- Dry biscuits (Salada, Vita-Wheat, Cruskits etc.)
- Toppings and spreads (metwurst, cheese, pastes, jam etc.)
- Flavoured Tuna ('Safcol' packets are better than cans)
- Muesli Bars, Fruit Bars etc.

Dinner

- Instant Pasta & Soup packets are brilliant (Continental Noodles, Rices of the World, 'Cup-a-soup' etc) with extras added.
- 'Back-country' or similar dehydrated meals.
- Cous Cous, rice (both are super lightweight and small!!!) or pasta with added ingredients such as:
- Fresh vegies, freeze-dried peas, metwurst, tuna, sauce sachets etc.
- Specific recipe ideas are also located in the OED office.

Scroggin

- High energy mix of snacks to boost energy levels throughout the day that is readily accessible whilst you are involved in your activity. You need a supply for each day. This is really important especially if conditions are cold, wet or windy.
- Dried fruit, nuts, chocolate, lollies, 'Shapes' biscuits

Water

- You need to have access to 2 litres a day. Two containers are a good idea.

Menu Plan Sample

	BREAKFAST	LUNCH	DINNER	SNACKS
DAY 1		Salad roll Fresh Fruit	Pasta and Sauce mix with extra vegies	Muesli Bars Lollies
DAY 2	Oat Temptations	Vita-Wheats with cheese and metwurst	Cous Cous with extra vegies	Dried Fruit Shapes
DAY 3	Museli with milk powder	Tortilla wraps with spreads and leftovers		Chocolate Nuts

+ 1 spare dinner in case another fails or is ruined (2 min noodles or soup is best)

Note: On kayaking or base camp trips weight is not a huge issue. This means you can afford to be more creative with your meals!

Conservation

“Keep the wildlife WILD! Take only photos, leave only footprints”

Private land – Sometimes you will be walking on private land. Seek permission for access. Use gates, not fences, and leave them as you found them. Leave livestock and property ALONE!

Toilets – Dig a hole 100 m away from any water source or campsite. It must be at least 15 cm deep and fill it in afterwards. When using a long drop, CLOSE THE LID after use!

Litter – Carry a rubbish bag for all general litter. You must carry OUT what you carry IN.

Food Scraps – These biodegradable items can be buried. ONLY these can be buried. Do not leave plastic, foil, cans etc. carry them out.

Routine supervision for health care related safety

Does your child need additional supervision for health-related safety? Yes No

If yes, consider and attach as relevant:

- Instructions from the child's doctor
- Medication plan

If assistance with medication must occur on camp identify responsibilities for:

- Delivery, storage, supervision, record keeping
- Off-site activities
- Reminding if necessary

- Health service provider details

If a care/health worker is involved because requirements exceed staff training and duties (i.e. other than oral or metered dose inhaler medication), write down:

- Who this is and the contact staff member?
- How, when and where will this occur?
