

## 2020 SUBJECT SELECTION PLANNER - YEAR 10

Student's Name: \_\_\_\_\_ House: \_\_\_\_\_

Present School (if new to Westminster School): \_\_\_\_\_

We recommend that this form is used as a planner prior to entering online

- English and Mathematics are compulsory for the year.
- Please choose a Mathematics option as preference 1. **Circle your preferred option.**
- You do not need to select Science, History, PLP, PE or RAVE as these will be automatically allocated to you.
- Select your **second compulsory** HASS elective as preference 2. **Circle your preferred option.**
- You should then make **8** more elective selections in numerical preference order. Preferences 3-8 will be considered your preferred selections, whilst 9-10 will be considered your reserve selections.
- If you are selecting German, Japanese, Chinese or Music, or a combination of Languages and Music, then ensure these are listed as your TOP preferences. Each of these subjects counts as two preferences.
- If you select a Stage 1 subject you are required to complete the **additional Application Form**, and comply with the enrolment criteria, as enrolment is not automatic. No selection will be considered without an application form.
- Please turn over for a **full list of subjects and the combinations in which they can be studied.**

Preference	SUBJECT
1	<u><b>Mathematics – Full year compulsory subject</b></u> Extension Mathematics (by prior negotiation) Standard Mathematics Essential Mathematics (by prior negotiation) <span style="float: right;">(Please circle one subject only)</span>
2	<u><b>Second HASS Elective</b></u> Business Geography <span style="float: right;">(Please circle one subject only)</span>

Stage 1 Psychology	<i>Semester subject. 10 SACE credits.</i>
Stage 1 Scientific Studies	<i>Semester subject. 10 SACE credits.</i>

**Study of Stage 1 courses in Year 10**

Students who are considering a Stage 1 subject at Year 10, must complete the additional **Application Form** and enrolment is **not** automatic. Generally, students will only be permitted to take one Stage 1 subject in Year 10. The following will be taken into consideration before approval for study is given:

- Information provided in the additional **Application Form** (see online for the form)
- Prior academic achievement in related subjects at Year 9
- Results of discussion in arranged interviews with Head of House

Students who study Stage 1 courses in Year 10 will not automatically be eligible for a ‘study line’. Students who apply online for a Stage 1 and do not complete the additional form will not be considered.

Students who wish to study a VET course should seek advice from Mrs Jenny Howland and then meet with Ms Andrea Sherwood, Director of Learning, to discuss their study program.

Westminster School

***Please return your printed online Web Preference form signed by parent/guardian to the Westminster Senior School Office by Monday 19 August 2019.***

**Signatures are not required on this form unless you are a new student to Westminster School. Existing students should submit their signed printout after completing their online selections.**

**STUDENT SIGNATURE:** \_\_\_\_\_

**PARENT / GUARDIAN SIGNATURE:** \_\_\_\_\_
