Study of Stage 2 and VET Subjects in Year 11

Students **who have studied a Stage 1 subject in Year 10** will find the Stage 2 pathway on Web Preferences and may select these accordingly.

Students who are considering a Stage 2 at Year 11, who have not completed Stage 1 study, should refer to the information below. Selection of a Stage 2 subject must be accompanied by the **additional Application Form** and enrolment is not automatic.

Year 11 students should note that the following will be taken into consideration before approval for Stage 2 study is given:

- Information provided in the additional **Application Form**. (see online for the form)
- Prior academic achievement in related subjects at Year 10
- Stage 1 study in Year 10
- Results of discussion in interviews

Students who complete Stage 2 courses will not automatically be eligible for a 'study line'.

Students who undertake Stage 2 Workplace Practices (Marden College) are not guaranteed a study line.

Students who wish to study a VET course should seek advice from Mrs Jenny Howland and then meet with Ms Andrea Sherwood, Director of Learning, to discuss their study program.

A one semester subject is worth 10 SACE points. A full year subject is worth 20 SACE points.
